10 Give a full & detailed account of the Condition and prospects of religious work on the mission.

District in Christian services, still increasing - Indians delight in taking part in this service - four engage in prayer in the Sioux language - Avg. att. at S. Service forty - prayer meeting is conducted carried on by themselves. Another of the Medicine men has attended service because for the first time, a few Sabbaths ago - after having been invited to every service for more than three years. We feel encouraged to go on. -
