#### Notes

1. The “**R?**” column denotes folders with restrictions on access. Any folder with an “**R?**” marking has had restrictions on access placed on it. For more information regarding the restrictions, see the appropriate folder description or the Restrictions on Access field in the archival description.
2. Folder titles – or portions of titles – that appear in **bold** typeface represent Carl Ridd’s original folder titles that have been retained. Folder titles, or portions thereof, that appear in normal typeface have been created or edited during the processing of the records. For more information on the origination of specific folder titles, see the appropriate folder descriptions or the Arrangement Note in the archival description.
